EPBF Referee Course

Dear friends of sports,

Since a few years there are always referees working from different countries at the EPBF events. To establish this we need a certain amount of referees. In comparison with the past years we did change the procedure a little bit. Before the actual course it is needed that each candidate referee does an online rules and knowledge test. After the announcement done by the respective national EPBF member each candidate referee will get an automatic invite to the online course via E-mail.

Having this in mind we want to inform you that the EPBF conduct a referee course in 2018. The details are as follows:
